

let's chat...

AT THE ULI FALL MEETING

PERKINS
+ WILL

Urban regeneration
around the corner
+ around the globe

Post-industrial
waterfronts
10 challenges,
10 solutions

Are you green enough
to get approved?

A new recipe for
Public/private
partnerships

Perkins+Will plus SMWM
the power of our first year

Excitement
on the boards

**Karen Alschuler, FAICP,
LEED AP**

will be coordinating the
“Post-Industrial Waterfronts”
discussion — and will be on
the ground to chat about urban
design issues large and small.

Chat with Karen
415.546.2906
karen.alschuler@perkinswill.com

**Cathy Simon, FAIA,
LEED AP**

will be the co-leader of the
“Post-Industrial Can Mean
Regeneration... Especially on the
Waterfront” discussion. Friday,
November 6th, 9:15 - 10:30 am.

Chat with Cathy

cathy.simon@perkinswill.com

David Green, AIA, LEED AP

will be a panelist on the
“UrbanPlan Panel Discussion,”
exploring the value of educating
high school students about urban
development. Thursday, November
5th, 11:15 am - 12:30 pm.

Chat with David
